Improvement Maintained

Our 2-2 draw away to Derby County last Saturday furnished us with our sixth point from the last four League matches. Our improvement since that disastrous visit to Liverpool on the first Saturday of September has therefore been maintained, and we hope for further progress at the expense of **BOLTON WANDERERS**, our visitors today.

We welcome Bolton to this ground, and although they are below us on the League table, we are aware of their superior goalscoring record. In Frank Worthington and Alan Gowling, they have two of the First Division's leading scorers.

Don McAllister

It was disappointing that we should have surrendered our lead at a late stage of the match at Derby. There were only eleven minutes left when **JOHN DUNCAN**, our former striker, equalised for Derby.

Derby had been on top in the first half, and they led at the break with **STEVE BUCKLEY'S** 12th-minute goal. Glenn Hoddle had, however, hit the bar before half-time and John Pratt had twice gone close.

Spurs managed to get a grip on the game in the second half, and it was in the 62nd minute that **PETER TAYLOR** equalised from a free-kick. Eight minutes later **DON McALLISTER** raced bravely on to a chipped pass by Steve Perryman as Derby's players had pushed forward to lay the offside trap, and headed past goalkeeper John Middleton, who had rushed out.

Derby fought back to put us under pressure, and taken overall, a draw was a fair result. Our team was Daines; Naylor, McAllister, Holmes, Lacy, Perryman, Pratt, Ardiles, Lee, Hoddle and Taylor. Ricardo Villa stood by as sub.

BEYOND OUR CONTROL

We very much regret the inconvenience and disappointment caused to those supporters who turned up here last Saturday only to find that our Football Combination match with Luton Town had been postponed.

This late postponement was made at the urgent request of Luton, who had such a heavy casualty list that they were in difficulty in fielding a team.

We took every measure possible to announce the postponement, and it was, in fact, mentioned in a number of newspapers. It was obvious, however, that it would not have been read by everyone, and we are anxious that supporters should know that we did all we possibly could to announce the postponement in the short time available.

On the subject of Combination football, we mentioned in our match programme against Birmingham City a fortnight ago that a win by the Reserves on Bristol Rovers' ground the following Tuesday would give them a sequence of eleven successive Combination wins and so equal the same total of victories in succession achieved in season 1971-72.

A number of our reserve players were misled into believing that to be a Club record. The situation was that by winning at Bristol they equalled the 1971 run of eleven successive wins, which had also been achieved in season 1955-56. The all-time record of successive Spurs victories in the Combination was 14 in season 1961-62, and our players are now out to beat it.

They are away to Hereford United this afternoon, and their following three matches are at home to Luton, rearranged for next Wednesday, and Norwich, and away to Queen's Park Rangers.

Action against Birmingham

Birmingham's goalkeeper Jim Montgomery fails to hold a cross from Peter Taylor (out of picture), in our last home match, but the danger was cleared.

GROUND FENCING

A MATTER OF NECESSITY

Work is due to commence shortly at this ground on the erection of perimeter fencing to prevent spectators from encroaching on to the playing pitch.

It is a measure that we had hoped would never be necessary on this ground, but it has been forced upon us and other clubs by the unruly conduct of a small minority of spectators, and fencing will therefore be erected on three sides of the ground.

It is a step we are having to take with reluctance and much regret, but we feel sure that the vast majority of spectators at our matches will understand that in the interests of everyone concerned, we are having to take preventive action.

Appeals to the young supporters have met with some success, but we are mindful of the Football Association rules, under which we are responsible for the safety of the players of both teams and match officials.

Quite apart from the physical dangers caused by invasions of the pitch, the players are distracted and there can be an adverse effect on the performance of the team.

Moreover, it is now a requirement of the Union of European Football Associations that all clubs involved in competitions under their jurisdiction should protect their pitches in this fashion.

In addition to taking immediate precautions, it is therefore important that we should be equipped for the re-entry into European competition that we hope our players will achieve for the Club in future seasons.

BUSY SUNDAYS . . .

For PETER TAYLOR, Sunday morning is no time for sitting around.

This season he has taken over as manager of Roblin Sports, a Brentwood club playing in the Chelmsford Sunday League.

After his Saturday exertions in First Division football, Peter could be excused if his attitude with Roblin the following morning was a trifle relaxed.

On the contrary, he takes his Sunday assignment very seriously.

"I wouldn't do the job unless I was really serious about it," he says.

In one of Roblin's matches this season, the opposing goalkeeper was none other than PETER COLLINS, our former centre-half!

VACANCY

The Club has a vacancy on the Ground Maintenance Staff and anyone interested is asked to contact Mr. M. Stockwell, the Ground Supervisor, here on the Club premises.

. . . GOOD START

MARK FALCO, who leads our Combination scorers with 13 goals, made a good start to his international career. He scored three goals in the two matches against Russia and Las Palmas to help England win the youth tournament in the Canary Islands, and won the "Player of the Tournament" award.

He was presented with a cup that is now on display at his home in Hackney. By the way, Ian Moores, our former striker who is now with Orient, has sold Mark his Datsun car. "It hasn't broken down yet," cracks Mark!

PAUL'S BACK . . .

PAUL MILLER, our reserve defender, who was released in March to join Skeid F.C. of Oslo for the Norwegian season, is now back in our ranks. He was included in our Combination team away to Bristol Rovers last week.

. . . STEVE THE WINNER

Spurs Supporters Club presented STEVE PERRYMAN with his trophy as "Player of the Year" at their annual function at "The Chanticleer" last week.

The President's Award was won by GLENN HODDLE, and the Hymie Lewis Trophy went to MARK KENDALL as "Best Reserve Player" of last season.

Congratulations to them all.

The latest Video Television equipment, including an ADVENT Video beam which projects live and recorded TV onto a 6 ft. x 4 ft. screen, has been installed in the Long Room Sponsorship Suite.

Crown Cassette Communications Ltd. of 3 Soho Street, London, W.1, the Video specialists who cover all aspects of Video technology, including closed circuit TV surveillance, and Video cassette recorders etc., from all leading manufacturers, have kindly loaned all the equipment to the Club.

Steve Perryman hands over an autographed football to the Mayor of Haringey—Councillor Les Collis—in the hope that it will help him raise cash for his current Guide Dog Appeal.

Councillor Collis—an ardent Spurs supporter—is trying to raise around £2,000 to buy two guide dogs for the blind, and the football will go to the school or youth group in the Tottenham and Haringey area who collects the most money for the appeal.

Any supporters wanting to follow the team's example by backing this worthy cause should address their donations to the Mayor of Haringey, Civic Centre, High Road, Wood Green, N22.

It's worth a visit

Our programme usually includes some reference to matches played by the Youth and Junior teams at our Cheshunt training ground. Supporters living in that area are familiar with the bustle and activity of Cheshunt on Saturday mornings, when most of the games are played, and also in mid-week, when the ground is used extensively for training by our entire professional staff. But to many people who follow Spurs' fortunes, it must sound like a rural outpost.

Supporters living within reasonable reach of the Cheshunt ground would find it well worth

their time to make an effort to attend a match there and see the set-up for themselves.

The ground is situated on the western side of the Great Cambridge Road, a few hundred yards north of the traffic lights at Church Lane, Cheshunt.

The most convenient 'bus route is the 279 from Manor House via Waltham Cross to Hammond Street, stopping at the western end of Brookfield Lane at the White Horse public house. For car drivers there is ample parking space, and refreshments are available in the pavilion at half-time.

Most visitors to the training ground are impressed by the facilities and lay-out, and it must surely be one of the best of its kind in the country.

There are three playing pitches, all with excellent surfaces, and the entire complex occupies an area of approximately eight acres. A small brick stand, erected in 1957, serves the main pitch, shown in the top photograph.

It was in 1952 that the freehold and existing pavilion were acquired by the Club, and following gradual improvements over the intervening years, a big modernisation scheme was carried out, including the installation of new dressing-rooms (see photo on right), at a cost of approximately £50,000, four years ago.

The ground is now well-equipped to stage two matches at the same time, and to cater for our general training requirements.

In recent years we have tended to make greater use of the ground for training purposes, and in the past it has been used by England teams. Mexico used it for all their training during the World Cup series of 1966.

The site, originally grazing land for cows, was used as a sports ground for a nursery firm before it was purchased by

Spurs, and was used for football, bowls and tennis. During the war the pavilion served as an auxiliary fire station, and for a time, after it had become our training ground, Cheshunt F.C. played their matches there.

A training session in progress on another of the Cheshunt pitches.

The Groundsman at Cheshunt is **DON COULSTON**, who was a young inside-forward with Spurs before the war. The war interfered with Don's football ambitions, but when he left the Army, he had spells with Chelmsford and Wisbech. The son-in-law of the late Jack Coxford, our former trainer, Don and his wife, Doreen, have lived in a flat on the Cheshunt ground since his return to our service in 1956.

Scored Bolton's first equaliser against us from a penalty here in the F.A. Cup last January, and also netted the match-winner against us in the League at Burnden last season.

BRIAN SMITH (Midfield). A local Bolton-born player, who signed as a professional for the Wanderers in July, 1974 and made his League debut for the club during the following season. Last October he moved to Bradford City on a temporary transfer, and made eight Third Division appearances for them.

Born at Halifax, and made his name with Huddersfield Town. Left Huddersfield for Leicester in August, 1972 and stayed with the Midlanders until his transfer to Bolton in October, 1977.

ALAN GOWLING (Forward). Scored two of Bolton's goals when they lost 4-3 at Chelsea a fortnight ago. Left Old Trafford for Huddersfield, who transferred him to Newcastle United in August, 1975. Left Newcastle for Bolton last March.

NEIL WHATMORE (Forward). Born at Ellesmere Port and graduated through Bolton's apprentice ranks. Upgraded to full professional in May, 1973 after scoring two goals on his debut at Swansea in a Third Division match in the previous month. Scored Bolton's second goal in the 2-2 draw here in the F.A. Cup last season. Finished top scorer for Bolton last season with 21 goals.

... AND THE MANAGER

IAN GREAVES, the Bolton manager, was previously in charge of Huddersfield for six years, and it was during his time with the Yorkshire club that we defeated them in the final of the F.A. Youth Cup. He took over as Bolton's manager in 1974.

Ian, who was born at Oldham, was a full-back in his playing days with Buxton, Manchester United, Lincoln City and Oldham Athletic.

As a United player, he gained a League championship medal in 1956, and an F.A. Cup runners-up medal in 1958, when the winners were Bolton.

REVIEW

The performance of BOLTON WANDERERS in the Second Division last season, compared with their record to date this term, gives some indication of the difference in strength of the top two divisions of the League. Our own experience, and that of Southampton, who also were promoted, confirms that difference.

Bolton won the championship of the Second Division last season to regain the First Division place they lost in 1964. In the years between, they even had a spell in Division 3. Their return to Division 1 therefore gave cause for great celebration in the Lancashire town, especially as they had finished fourth, thereby just missing promotion, in each of the two preceding seasons.

Bolton were original members of the Football League on its formation in 1888, but have never finished champions. Their highest-ever position in the League was third in each of three seasons—1891–92, 1920–21 and 1924–25.

Much more glory has come the way of Bolton in the F.A. Cup. They have won the trophy four times, and three of those triumphs were in the 1920s, a decade of splendour for the Wanderers.

Bolton won the first Wembley final in 1923, and also carried off the trophy in both 1926 and 1929. They have also finished runners-up in the F.A. Cup on three occasions, giving them a total of seven Cup final appearances.

Bolton were off to a disappointing start this season. On the opening day, when it is so important to pull off a good result, they were beaten 2–1 on their own ground by Bristol City. Since that defeat, their record at home has shown a lot of improvement. Away from home Bolton have picked up only one point from the five League matches played.

WALTER BELLAMY

We were shocked and saddened by the sudden death on the golf course at Hadley Wood on Thursday of last week of **WALTER BELLAMY**.

Walter, who lived at Hadley Wood and controlled a group of companies here in Tottenham, marketing motor spirit and heating oil, was a popular winger with Spurs before the war. An amateur international who made a big name with Dulwich Hamlet, he turned professional with us, and was, in fact, on our books as a player from 1925 to 1935.

He made his League debut away to Liverpool in April, 1927, and his 70 League appearances for the Club were spread over his nine seasons here as a professional. He also achieved distinction as a tennis player.

Walter, who was a Club shareholder, maintained a close connection with Spurs from the time his playing days ended, and he rarely missed a home match. He was here for the Birmingham game a fortnight ago, and his cheerful and friendly personality will now be missed by his many friends.

To his widow, Elsie, and family, we extend our sincere condolences in their sad loss. The Club was represented at the funeral at Hadley Wood on Thursday.

WINNERS

The first correct solutions of Half-Time Crossword in the match programme of 14th October opened in the post were submitted by Mr. A. Boxall of Pelham Road, Wood Green and Mr. H. Giles of Mill Hill, Shenfield, Essex, each of whom receives two free stand tickets and an autographed photograph of a player. The solution appears on page 11

SENIOR YOUTH

The Youth team won their away match with Ipswich Town in the South East Counties League Division 1 last Saturday by 3—2.

Ipswich scored first but **KERRY DIXON** equalised before half-time. A penalty gave Ipswich the lead again in the second half, but Spurs took command and brought home the points with further goals from **MARK FALCO** and **JOE SIMMONDS**.

Team: P. Allies; Southey, Hamill, G. O'Reilly, G. Mazzon, G. Reardon, J. Mawhinney, Simmonds, Dixon, Brooke and Falco.

The Youth team lost 2—1 in the first round of the Southern Junior Floodlit Cup away to Aston Villa on Monday night. An own goal by Gary O'Reilly gave Villa a half-time lead, and we conceded another goal in the second half before **KERRY DIXON** reduced the arrears with a header. Terry Gibson replaced Gerry Reardon after 60 minutes. Team: P. Allies; Southey, Hamill, G. O'Reilly, G. Mazzon, G. Reardon (sub. T. Gibson), Brooke, Simmonds, Falco, Dixon and J. Mawhinney.

JUNIORS

The Juniors were outplayed in their away match with Reading in Division 2 of the S.E. Counties League last Saturday, and retired beaten by 7—3. Our goals were scored by **TERRY GIBSON**, **JIMMY BOLTON** and an opponent own goal. Team: A. Parks; L. Meade (sub. G. Boniface), K. Dickenson, T. Emms, M. Entwistle, C. West, T. Gibson, A. Costello, J. Bolton, D. Greaves (sub. S. Flynn) and P. Corbett.

Preview...

Next Saturday we are bound for East Anglia to tackle **NORWICH CITY** at Carrow Road. Our last visit, in March, 1977, resulted in a 3—1 win for Spurs, and that victory encouraged our belief that we would avoid relegation. Unfortunately, our hopes were unfulfilled and we went down to the **Second Division** at the end of that season.

Martin Chivers

Without setting East Anglia alight, Norwich have consolidated their First Division place. Our matches with the Canaries usually have something of a cup-tie atmosphere about them, and we know they will keep us at full stretch next Saturday.

Considerable interest is added to this match by the fact that **MARTIN CHIVERS**, our former English international centre-forward, returned from his spell with the Servette club of Switzerland, to sign for them in July. Martin was here, in fact, a fortnight ago for our match with Birmingham City with a view to assessing our strength for next Saturday's confrontation at Carrow Road.

Two other former Spurs players are likely to line up against us at Norwich. **MARTIN PETERS** is still a power in midfield by all accounts, and **JIMMY NEIGHBOUR** commands a regular place as a front runner. Another newcomer to the Norwich team this season is **PHIL HOADLEY**, the defender who was signed from Orient in August.

We usually take a lot of support to Norwich, and there should be plenty of vocal encouragement for our players next Saturday. The most popular route by road from this area is via Bishop's Stortford, Newmarket, Thetford and the Wymondham By-Pass.

The distance from the Tottenham district is approximately 110 miles.

Supporters travelling by train should have no difficulty in finding the ground. It's eight minutes' walking-time from the station along Riverside. Turn left on leaving the station.

FOREST HERE

Our next visitors in the League are **NOTTINGHAM FOREST**, the reigning League champions, a fortnight today. This should prove one of our most attractive matches of the season, and we hope to improve on the 1—1 draw that resulted when we visited Nottingham on the opening day of the current League season.

SCRAPBOOK

DOUBLE OVER BOLTON

When Bolton were here last April, they were paying their first visit in League football since April, 1964, the year in which the Lancashire club were relegated to the Second Division.

In that relegation season, Bolton surrendered all four points to Spurs for the fifth time in the history of our League clashes with them dating back to 1908.

John White

Today we put the spotlight on our "double" victory over Bolton in our League championship season of 1960-61. Both were evening matches played in the September, and we won the first of them by 2-1 at Burnden Park. Our goals were scored by **JOHN WHITE** and **LES ALLEN**, and **BILL McADAMS** netted for Bolton.

A week later the teams met here before a crowd of 43,559 spectators, and Spurs had maximum points from the first seven matches. The run was extended that evening by a 3-1 win, but Bolton provided stubborn opposition.

McAdams gave Bolton an early lead but **BOBBY SMITH** equalised, and the turning point was a penalty kick, midway through the second half, converted in that characteristically cool and casual manner by **DANNY BLANCHFLOWER**. Smith scored Spurs' third goal a few minutes from the end.

The teams here that night were—**Spurs**: Brown; Baker, Henry; Blanchflower, Norman, Mackay; Jones, White, Smith, R., Allen and Dyson. **Bolton**: Hopkinson; Hartle, Farrimond; Hennin, Edwards, B., Stanley; Birch, Hill, McAdams, Parry and Holden.

LAST WIN

Bolton's last win on this ground was by 2-0 in November, 1959 at a time when Spurs were top of the First Division chart. Our forwards were frustrated by a retreating Bolton defence that day, and it was not until **DENNIS STEVENS** gave them the lead midway through the second half that the visitors began to push forward. Then **RAY PARRY** hit a 25-yarder into our net.

The gate figure that day was 41,909 and the teams were—**Spurs**: Brown; Baker, Marchi; Blanchflower, Norman, Mackay; Medwin, Harmer, Smith, R., White and Jones. **Bolton**: Hopkinson; Hartle, Farrimond; Stanley, Higgins, Edwards, B.; Birch, Hill, Stevens, Parry and Holden.

SIMILAR STORY

It had been a similar story at Bolton in October, 1953. After a goalless first half, **NAT LOFTHOUSE**, put Bolton ahead with an easy chance, and only two minutes later **HAROLD HASSALL** notched a second to give the Wanderers a 2-0 win.

Programme collectors may be interested to see the reproduction in the next column of the line-up page from Bolton's programme that day.

HIGHEST TOTAL

Our 5-2 win over Bolton here in December, 1920 gave us our highest-ever goals total against them in one match. The following extract from our programme notes a week later gives some idea of Spurs' display that day with also a hint of praise for Bolton.

Bert Bliss

"Last week's splendid victory over Bolton was a real football treat. Our boys played several delightful games earlier in the campaign, notably against Chelsea and Manchester United, but the brilliant display against the Wanderers capped them all. It was well nigh perfect football that defeated so good a team as Bolton and it was only in attack that our boys excelled..."

Spurs' five goals in that match in the distant past were scored by **BERT BLISS** 2, **JIMMY SEED**, **JIMMY DIMMOCK** and **JIMMY CANTRELL**.
